## **1.0 INTRODUCTION**

---

The following procedures are designed to assist you, the External Users, in maneuvering through DMV's **Internet** system for filing SR22's and SR26's.

*If you need **HELP*** -

For SR22/26 Program Questions, call **Insurance Compliance**,  
**(804) 367-0417**

For Use Agreement Questions, call **Memorandum of Understanding Coordinator**  
**(804) 367-0417**

For Technical Difficulties, call **Network Support**  
**(804) 367-6857**

**NOTE:** *When you are ready to test contact, (804)367-0417, with the customer numbers that you will be using to conduct your testing for SR22/26's.*

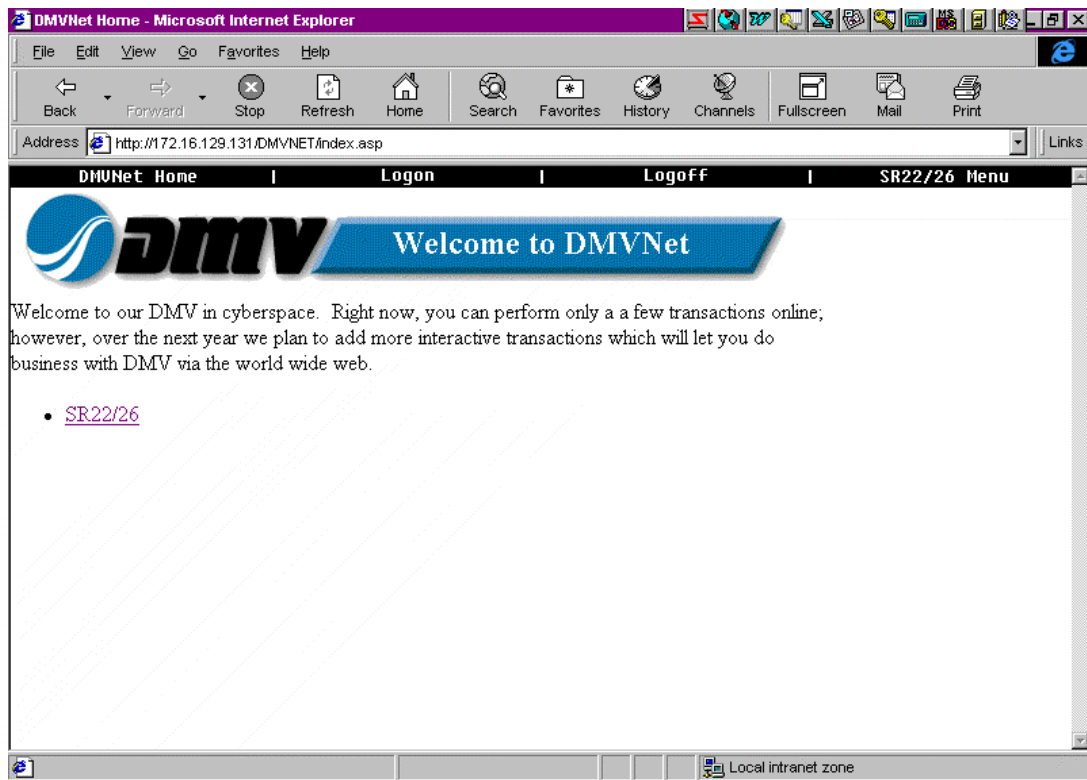

## **2.0 ACCESSING DMVNET HOME PAGE**

**Step 1** Log on to your Internet Server (i.e.: AOL (America On Line), Netscape, Microsoft Internet Explorer)

**Step 2** To access the *DMVNet Home Page*, enter the following:

**<http://www.dmv.state.va.us/DMVNet/>**

To access the DMVNet Login screen click on the **SR22/26** button, or TAB to the **SR22/26** button and press the <ENTER> key.

***There will also be a link from the VIPNET transcript page to access the SR22/26 Menu.***

When the following messages are displayed the system is unavailable for use, you will need to try again at a later time.

**Service is unavailable, please try again later.**

**-Or-**

**Connection unavailable, please try again later.**

**-Or-**

**Connection timed out, please try again.**

### 3.0 LOGGING ON

The *DMVNet Logon* page will be displayed, enter the following fields:

1. Enter your DMV assigned **USER ID**. (**EX: DMVA01**)
2. Enter your password. *NOTE: Your password can be 5 to 8 characters long.)*
3. Click on the **LOGIN** button or press the <ENTER> key.

**NOTE:** If your password has expired you will need to change your password. Enter the following fields: **NOTE:** Your password will expire every 30 days.

- A. Enter your new password, which must be at least 5 characters, but no more than 8 characters long, in the **New Password** field. Your password may not include special characters, such as &, \*, -, @, or %. Your password must be different than the previous password. Your password will expire every 30 days.
- B. Retype your new password in the **Confirm New Password** field.
- C. Click on the **LOGIN** button or press the <ENTER> key.
